STORAGE PLANNING HAS NEVER BEEN SO EASY THANKS TO THE ZONE PLANNER

🕒 1 minute

📍 Worldwide

Are you planning a new kitchen or refurbishment project and want to make sure that you can store all your items and provisions with ease? The Zone Planner is the ideal tool for getting a really quick and easy overview of everything you need to achieve this.

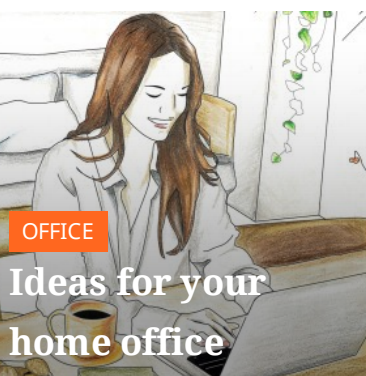

Like a checklist, it allows you to specify all your storage items and the respective quantities. The Zone Planner uses this information to show you suitable cabinet solutions and useful inner dividing systems. Once completed, the list provides your kitchen planner with the basis for creating a dream kitchen that meets all your storage space requirements.
